It is a great time to play ball! With the growth of Little League baseball in Chico, the well-being of these programs must rely on community support. Each season, there are a number of expenses, large and small, that make a Little League program operate. Uniforms, baseballs, caps, bats, umpire costs, and field maintenance are just a few of the many items that are purchased every year which are vital to the player. Although each player must pay a registration fee, that amount alone does not cover the expenses that a league incurs during the season. Outside help is always necessary and your support can help all our youth enjoy a safe and healthy playing experience.

Each of these sponsorships is tax deductible. Please review the options below and select the level that you are able to sponsor. **Sponsorships must be received before March 1, 2026 in order for banners to be placed for the full season.**

If you have any questions, please contact [fundraising@chicocentral.org](mailto:fundraising@chicocentral.org) Thank you for your support!

Please check which option you would like, and mail this form in with your payment method:
